

Italian, Art and Culture ^[1]

A great opportunity to refresh your Italian while enjoying summer, art and history in Piedmont.

This course, in its 23rd edition this year, offers Italian language instruction at all levels, from beginners to advanced. Teaching is continually updated and adapted to participants through “customized” activities and personalized exercises.

Cultural activities will complete Italian instruction: together with teachers and young tutors, participants will interact in Italian and discover Piedmont’s art, culture and traditions.

Learning Italian will therefore be an involving and pleasant experience, shared with friends from all over the world.
